

2021-2022 REVISED FINANCIAL AID OFFER NOTIFICATION

Dear Student,

Las Positas College is pleased to provide you with this preliminary notification of your estimated financial aid. This notification includes any scholarships awarded as of today. Preliminary awards are based on your Cost of Attendance (COA) at Las Positas and your Expected Family Contribution (EFC) as determined by information you provided on your 2021-2022 Free Application for Federal Student Aid (FAFSA).

Awards are based upon an assumption of full-time enrollment unless otherwise indicated in your student profile. Students enrolled less than full-time will receive proportionately less than the award posted, and in some cases may not be eligible for an award.

Our entire staff looks forward to assisting you to navigate through the financial aid process during your enrollment. We encourage you to contact us with any questions.

Sincerely,

Las Positas College Student Financial Aid Team
